# PRESIDENT'S MESSAGE

**Dear Members and Friends of the AAMA,**

Thank you for taking the time to visit with us at AAMA. We're very glad you're here.

Within this directory, you will find the people and companies at the forefront of the Amusement Industry. These dedicated professionals get up every day to find a new way to create fun! What's not to like about that?

At AAMA, we are committed to ensuring our member companies have the best opportunities to succeed. We do so by maintaining a high degree of awareness of legislative issues that affect our industry, engaging and educating our members during annual events including the Amusement Expo coming up March 25 - 27, 2014 (co-sponsored with our friends at AMOA) and our Annual Meeting & Gala set for August 4 - 8, 2014, and by promoting our member's products and services to adjacent industries through our Location Trade Show Program which includes the International Association of Amusement Parks and Attractions Expo, (IAAPA).

None of this happens by magic rather, it's the result of the efforts and contributions of the AAMA Board of Directors, AAMA Committees and AAMA Staff. I am truly humbled and honored to take part in the conversations these groups are engaging in. The passion, enthusiasm, and integrity displayed by these leaders is contagious and inspiring.

So, if you're in the business of "Fun" and you want to make a difference that positively affects you and your company I encourage you to join us! I can guarantee you will find a group of receptive individuals interested and appreciative of what you're able to contribute.

Play more!

The American Amusement Machine Charitable Foundation (AAMCF) is a not-for-profit corporation organized with the purpose of raising and distributing funds to children's charities for scientific,

Since 1983, the AAMCF has contributed in excess of \$1,000,000 to over 120 charitable organizations and foundations including Children's Miracle Network and Kids Enjoy Exercise Now USA (KEEN).

IT IS THROUGH THE SUPPORT OF AAMA MEMBERS, COLLEAGUES, FAMILY AND FRIENDS THAT WE ARE ABLE TO MAKE A DIFFERENCE IN THE LIVES OF CHILDREN IN NEED.

Children's Miracle Network Hospitals is celebrating its 30-year anniversary! Since 1983, the organization has raised more than \$4.7 billion—most of it \$1 at a time—for 170 children's hospitals across the United States and Canada, which, in turn, use the money where it's needed the most. These donations have gone to support research and training, purchase equipment, and also to pay for uncompensated care, all in support of the mission to save and improve the lives of as many children as possible.

KEEN is a national, nonprofit volunteer-led organization that provides one-to-one recreational opportunities for children and young adults with developmental and physical disabilities at no cost to their families and caregivers. KEEN's mission is to foster the talents of its athletes through non-competitive activities, allowing young people facing even the most significant challenges to meet their individual goals.

"I DON'T THINK WORDS CAN EXPRESS THE DIFFERENCE KEEN HAS MADE IN MY SON'S LIFE. COMING TO KEEN MAKES HIS WHOLE DAY. AFTER KEEN HE IS SO HAPPY - IT MAKES A HUGE DIFFERENCE FOR OUR ENTIRE FAMILY!"
