

2019 Location Trade Show Program Registration

The AAMA is proud to present the 2019 Location Trade Show calendar. We look forward to your participation in this year's programs. The trade shows are split up into 2 types of booth layouts:

Island Pavilion Placements - 1-2 pieces per placement, based on size, displayed within the island pavilion. The available space includes common areas, walking space and shared furnishings, which saves you money on some shared expenses. This booth type is a game room layout. Oversized pieces may require additional placement charge.

Individual Booths - Actual 10x10 space with draped dividers. All amenities ordered separately and charged per respective booth.
